Just for you - your choice of products - roasts, steaks, steering beef,  
ground beef and hamburger patties

\* This weight and pricing is hung weight before is it trimmed and packaged. A whole beef, a side or a quarter beef has approximately 1/3 roasts, 1/3 steaks and 1/3 ground beef. You may also order cubed beef for shish kabobs or for stewing. You may specify what cuts you would like, size of roasts, thickness of steaks, amount of ground beef per package and if you would like hamburger patties. The price per pound includes cutting and wrapping of the meat which is frozen when you receive it.
